

Issuing Date 13-Mar-2019

Revision Date 10-Oct-2019

Revision Number 2

NGHS / English

The supplier identified below generated this SDS using the UL SDS template. UL did not test, certify, or approve the substance described in this SDS, and all information in this SDS was provided by the supplier or was reproduced from publically available regulatory data sources. UL makes no representations or warranties regarding the completeness or accuracy of the information in this SDS and disclaims all liability in connection with the use of this information or the substance described in this SDS. The layout, appearance and format of this SDS is © 2014 UL LLC. All rights reserved.

### 1. IDENTIFICATION

#### Product identifier

Product Name ThreeBond 1342

#### Other means of identification

Product Code(s)

#### Recommended use of the chemical and restrictions on use

Recommended Use Adhesive and Sealant

Restrictions on use No information available

#### Details of the supplier of the safety data sheet

Supplier Identification ThreeBond International

Address 6184 Schumacher Park Drive  
West Chester  
Ohio  
45069  
USA

Telephone Chemtrec (North America) (800) 424-9300  
Chemtrec (International) 703-527-3887

Company Phone Number 513-779-7300

### 2. HAZARDS IDENTIFICATION

#### Classification

|                       |             |
|-----------------------|-------------|
| Skin sensitization    | Category 1  |
| Reproductive toxicity | Category 1B |

**Appearance** Blue**Physical state** Liquid**Odor** Characteristic**GHS Label elements, including precautionary statements****Danger****Hazard statements**

May cause an allergic skin reaction

May damage fertility or the unborn child

**Precautionary Statements - Prevention**

Obtain special instructions before use

Do not handle until all safety precautions have been read and understood

Wear protective gloves/protective clothing/eye protection/face protection

Avoid breathing dust/fume/gas/mist/vapors/spray

Contaminated work clothing must not be allowed out of the workplace

**Precautionary Statements - Response**

IF exposed or concerned: Get medical advice/attention

Specific treatment (see supplemental first aid instructions on this label)

**Skin**

IF ON SKIN: Wash with plenty of water and soap

If skin irritation or rash occurs: Get medical advice/attention

Wash contaminated clothing before reuse

**Precautionary Statements - Storage**

Store locked up

**Precautionary Statements - Disposal**

Dispose of contents/container to an approved waste disposal plant

**Other information**

Very toxic to aquatic life with long lasting effects.

**Unknown acute toxicity** 98.29942 % of the mixture consists of ingredient(s) of unknown toxicity

58.97965 % of the mixture consists of ingredient(s) of unknown acute oral toxicity

98.29942 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity

98.29942 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas)

98.29942 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor)

98.29942 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist)

**3. COMPOSITION/INFORMATION ON INGREDIENTS****Substance**

Not applicable.

**Mixture**

| Chemical name                                     | CAS No. | Weight-% | Hazardous Material Information Review Act registry number (HMIRA registry #) | Date HMIRA filed and date exemption granted (if applicable) |
|---------------------------------------------------|---------|----------|------------------------------------------------------------------------------|-------------------------------------------------------------|
| Dibutyl phthalate                                 | 84-74-2 | 30-40    | -                                                                            | -                                                           |
| 2-Propenoic acid, 2-methyl-, 1,2-ethanediyl ester | 97-90-5 | 5-15     | -                                                                            | -                                                           |

**4. FIRST AID MEASURES****First aid measures****General advice**

Show this safety data sheet to the doctor in attendance.

**Inhalation**

Remove to fresh air.

**Eye contact**

Rinse thoroughly with plenty of water for at least 15 minutes, lifting lower and upper eyelids. Consult a physician.

**Skin contact**

Wash with soap and water. May cause an allergic skin reaction. In the case of skin irritation or allergic reactions see a physician.

**Ingestion**

Clean mouth with water and drink afterwards plenty of water.

**Most important symptoms and effects, both acute and delayed****Symptoms**

Itching. Rashes. Hives.

**Indication of any immediate medical attention and special treatment needed****Note to physicians**

May cause sensitization in susceptible persons. Treat symptomatically.

**5. FIRE-FIGHTING MEASURES****Suitable Extinguishing Media**

Use extinguishing measures that are appropriate to local circumstances and the surrounding environment.

**Large Fire**

CAUTION: Use of water spray when fighting fire may be inefficient.

**Unsuitable extinguishing media**

Do not scatter spilled material with high pressure water streams.

**Specific hazards arising from the chemical**

Product is or contains a sensitizer. May cause sensitization by skin contact.

**Hazardous Combustion Products**

Carbon oxides.

**Explosion Data****Sensitivity to Mechanical Impact** None.**Sensitivity to Static Discharge** None.**Special protective equipment for fire-fighters**

Firefighters should wear self-contained breathing apparatus and full firefighting turnout gear. Use personal protection equipment.

**6. ACCIDENTAL RELEASE MEASURES****Personal precautions, protective equipment and emergency procedures****Personal precautions**

Avoid contact with skin, eyes or clothing. Ensure adequate ventilation. Use personal protective equipment as required. Evacuate personnel to safe areas. Keep people away from and upwind of spill/leak.

**Methods and material for containment and cleaning up****Methods for containment**

Prevent further leakage or spillage if safe to do so.

**Methods for cleaning up**

Dam up. Soak up with inert absorbent material. Pick up and transfer to properly labeled containers.

**7. HANDLING AND STORAGE****Precautions for safe handling****Advice on safe handling**

Handle in accordance with good industrial hygiene and safety practice. Avoid contact with skin, eyes or clothing. Ensure adequate ventilation. In case of insufficient ventilation, wear suitable respiratory equipment. Do not eat, drink or smoke when using this product. Take off contaminated clothing and wash before reuse. Remove contaminated clothing and shoes.

**Conditions for safe storage, including any incompatibilities****Storage Conditions**

Keep containers tightly closed in a dry, cool and well-ventilated place. Store locked up. Keep out of the reach of children.

**8. EXPOSURE CONTROLS/PERSONAL PROTECTION****Control parameters****Exposure Limits**

| Chemical name                | ACGIH TLV                | OSHA PEL                                                       | NIOSH IDLH                                               |                          |
|------------------------------|--------------------------|----------------------------------------------------------------|----------------------------------------------------------|--------------------------|
| Dibutyl phthalate<br>84-74-2 | TWA: 5 mg/m <sup>3</sup> | TWA: 5 mg/m <sup>3</sup><br>(vacated) TWA: 5 mg/m <sup>3</sup> | IDLH: 4000 mg/m <sup>3</sup><br>TWA: 5 mg/m <sup>3</sup> |                          |
| Chemical name                | Alberta                  | British Columbia                                               | Ontario TWA/EV                                           | Quebec                   |
| Dibutyl phthalate<br>84-74-2 | TWA: 5 mg/m <sup>3</sup> | TWA: 5 mg/m <sup>3</sup>                                       | TWA: 5 mg/m <sup>3</sup>                                 | TWA: 5 mg/m <sup>3</sup> |

**Other Exposure Guidelines** Vacated limits revoked by the Court of Appeals decision in AFL-CIO v. OSHA, 965 F.2d 962 (11th Cir., 1992).

#### Appropriate engineering controls

**Engineering controls** Showers  
Eyewash stations  
Ventilation systems.

#### Individual protection measures, such as personal protective equipment

**Eye/face protection** Wear safety glasses with side shields (or goggles).

**Hand protection** Wear suitable gloves.

**Skin and body protection** Wear suitable protective clothing.

**Respiratory protection** No protective equipment is needed under normal use conditions. If exposure limits are exceeded or irritation is experienced, ventilation and evacuation may be required.

**General hygiene considerations** Do not eat, drink or smoke when using this product. Wash hands before breaks and immediately after handling the product. Handle in accordance with good industrial hygiene and safety practice.

## 9. PHYSICAL AND CHEMICAL PROPERTIES

### Physical and Chemical Properties

**Physical state** Liquid  
**Appearance** Blue  
**Odor** Characteristic  
**Color** No information available  
**Odor Threshold** No information available

| <u>Property</u>                               | <u>Values</u>            | <u>Remarks</u> | <u>Method</u> |
|-----------------------------------------------|--------------------------|----------------|---------------|
| <b>pH</b>                                     | UNKNOWN                  |                |               |
| <b>Melting / freezing point</b>               | No data available        | None known     |               |
| <b>Boiling point / boiling range</b>          | No data available        | None known     |               |
| <b>Flash Point</b>                            | 94 C / 201 F             |                |               |
| <b>Evaporation Rate</b>                       | No data available        | None known     |               |
| <b>Flammability (solid, gas)</b>              | No data available        | None known     |               |
| <b>Flammability Limit in Air</b>              |                          | None known     |               |
| <b>Upper flammability limit</b>               | No data available        |                |               |
| <b>Lower flammability limit</b>               | No data available        |                |               |
| <b>Vapor pressure</b>                         | No data available        | None known     |               |
| <b>Vapor density</b>                          | No data available        | None known     |               |
| <b>Relative density</b>                       | 1.06                     |                |               |
| <b>Water Solubility</b>                       | No information available |                |               |
| <b>Solubility(ies)</b>                        | No data available        | None known     |               |
| <b>Partition coefficient: n-octanol/water</b> | Not Applicable           |                |               |
| <b>Autoignition temperature</b>               | No data available        | None known     |               |
| <b>Decomposition temperature</b>              | No data available        | None known     |               |
| <b>Kinematic viscosity</b>                    | No data available        | None known     |               |
| <b>Dynamic viscosity</b>                      | 375                      |                |               |

### Other Information

**Explosive properties** No information available

|                                   |                          |
|-----------------------------------|--------------------------|
| <b>Oxidizing properties</b>       | No information available |
| <b>Softening Point</b>            | No information available |
| <b>Molecular Weight</b>           | No information available |
| <b>VOC Content (%)</b>            | No information available |
| <b>Liquid Density</b>             | No information available |
| <b>Bulk Density</b>               | No information available |
| <b>Particle Size</b>              | No information available |
| <b>Particle Size Distribution</b> | No information available |

## 10. STABILITY AND REACTIVITY

|                                           |                                           |
|-------------------------------------------|-------------------------------------------|
| <b>Reactivity</b>                         | No information available.                 |
| <b>Chemical stability</b>                 | Stable under normal conditions.           |
| <b>Possibility of Hazardous Reactions</b> | None under normal processing.             |
| <b>Hazardous Polymerization</b>           | Hazardous polymerization does not occur.  |
| <b>Conditions to avoid</b>                | None known based on information supplied. |
| <b>Incompatible materials</b>             | None known based on information supplied. |
| <b>Hazardous Decomposition Products</b>   | Carbon oxides.                            |

## 11. TOXICOLOGICAL INFORMATION

### Information on likely routes of exposure

#### Product Information

|                     |                                                                                                                                                                                                                             |
|---------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Inhalation</b>   | Specific test data for the substance or mixture is not available.                                                                                                                                                           |
| <b>Eye contact</b>  | Specific test data for the substance or mixture is not available.                                                                                                                                                           |
| <b>Skin contact</b> | May cause sensitization by skin contact. Specific test data for the substance or mixture is not available. Repeated or prolonged skin contact may cause allergic reactions with susceptible persons. (based on components). |
| <b>Ingestion</b>    | Specific test data for the substance or mixture is not available.                                                                                                                                                           |

### Information on toxicological effects

|                 |                         |
|-----------------|-------------------------|
| <b>Symptoms</b> | Itching. Rashes. Hives. |
|-----------------|-------------------------|

### Numerical measures of toxicity

#### Acute Toxicity

The following values are calculated based on chapter 3.1 of the GHS document.

|                      |                |
|----------------------|----------------|
| <b>ATEmix (oral)</b> | 6,455.10 mg/kg |
|----------------------|----------------|

|                               |                                                                                      |
|-------------------------------|--------------------------------------------------------------------------------------|
| <b>Unknown acute toxicity</b> | 98.29942 % of the mixture consists of ingredient(s) of unknown toxicity              |
|                               | 58.97965 % of the mixture consists of ingredient(s) of unknown acute oral toxicity   |
|                               | 98.29942 % of the mixture consists of ingredient(s) of unknown acute dermal toxicity |

98.29942 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (gas)  
 98.29942 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (vapor)  
 98.29942 % of the mixture consists of ingredient(s) of unknown acute inhalation toxicity (dust/mist)

**Component Information**

| Chemical name                                     | Oral LD50            | Dermal LD50              | Inhalation LC50           |
|---------------------------------------------------|----------------------|--------------------------|---------------------------|
| Dibutyl phthalate                                 | = 7499 mg/kg ( Rat ) | > 20000 mg/kg ( Rabbit ) | >= 15.68 mg/L ( Rat ) 4 h |
| 2-Propenoic acid, 2-methyl-, 1,2-ethanediyl ester | = 3300 mg/kg ( Rat ) | -                        | -                         |

**Delayed and immediate effects as well as chronic effects from short and long-term exposure**

|                                          |                                                                                                                                                     |
|------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Skin corrosion/irritation</b>         | No information available.                                                                                                                           |
| <b>Serious eye damage/eye irritation</b> | No information available.                                                                                                                           |
| <b>Respiratory or skin sensitization</b> | May cause sensitization by skin contact.                                                                                                            |
| <b>Germ cell mutagenicity</b>            | No information available.                                                                                                                           |
| <b>Carcinogenicity</b>                   | No information available.                                                                                                                           |
| <b>Reproductive toxicity</b>             | Contains a known or suspected reproductive toxin. Classification based on data available for ingredients. May damage fertility or the unborn child. |
| <b>STOT - single exposure</b>            | No information available.                                                                                                                           |
| <b>STOT - repeated exposure</b>          | No information available.                                                                                                                           |
| <b>Aspiration hazard</b>                 | No information available.                                                                                                                           |

**12. ECOLOGICAL INFORMATION**

**Marine Pollutant** This product contains a chemical which is listed as a marine pollutant according to DOT

**Ecotoxicity** Very toxic to aquatic life with long lasting effects.

| Chemical name     | Toxicity to Algae                                                                                     | Toxicity to Fish                                                                                                                                                                                                                                                                               | Toxicity to Microorganisms                                                                           | Daphnia Magna (Water Flea)                    |

**Persistence and Degradability** No information available.

**Bioaccumulation**

**Component Information**

| Chemical name     | Log Pow |
|-------------------|---------|
| Dibutyl phthalate | 5.38    |

**Mobility** No information available.

**Other adverse effects** No information available.

### 13. DISPOSAL CONSIDERATIONS

**Waste treatment methods**

**Waste from residues/unused products** Dispose of in accordance with local regulations. Dispose of waste in accordance with environmental legislation.

**Contaminated packaging** Do not reuse empty containers.

**US EPA Waste Number** U069

### 14. TRANSPORT INFORMATION

**DOT**

**UN-No.** UN3082  
**Proper Shipping Name** ENVIRONMENTALLY HAZARDOUS SUBSTANCE, LIQUID, N.O.S.  
**Marine Pollutant** This product contains a chemical which is listed as a marine pollutant according to DOT  
**Description** UN3082, ENVIRONMENTALLY HAZARDOUS SUBSTANCE, LIQUID, N.O.S. (DIBUTYL PHTHALATE), 9, III  
**Hazard Class** 9  
**Packing Group** III

**TDG**

**UN-No.** UN3082  
**Proper Shipping Name** ENVIRONMENTALLY HAZARDOUS SUBSTANCE, LIQUID, N.O.S.  
**Hazard Class** 9  
**Packing Group** III  
**Marine Pollutant** This product contains a chemical which is listed as a marine pollutant according to TDG.  
**Description** UN3082, ENVIRONMENTALLY HAZARDOUS SUBSTANCE, LIQUID, N.O.S. (DIBUTYL PHTHALATE), 9, III

**MEX**

**UN-No.** UN3082  
**Proper Shipping Name** ENVIRONMENTALLY HAZARDOUS SUBSTANCE, LIQUID, N.O.S.  
**Hazard Class** 9  
**Packing Group** III  
**Description** UN3082, ENVIRONMENTALLY HAZARDOUS SUBSTANCE, LIQUID, N.O.S. (DIBUTYL PHTHALATE), 9, III

**ICAO**

## 15. REGULATORY INFORMATION

### Safety, health and environmental regulations/legislation specific for the substance or mixture

#### International Regulations

**Ozone-depleting substances (ODS)** Not applicable

**Persistent Organic Pollutants** Not applicable

**Export Notification requirements** Not applicable

#### International Inventories

|                      |                                                   |
|----------------------|---------------------------------------------------|
| <b>TSCA</b>          | Contact supplier for inventory compliance status. |
| <b>DSL/NDL</b>       | Contact supplier for inventory compliance status. |
| <b>EINECS/ELINCS</b> | Contact supplier for inventory compliance status. |
| <b>ENCS</b>          | Contact supplier for inventory compliance status. |
| <b>KECL</b>          | Contact supplier for inventory compliance status. |
| <b>PICCS</b>         | Contact supplier for inventory compliance status. |
| <b>AICS</b>          | Contact supplier for inventory compliance status. |

#### Legend

**TSCA** - United States Toxic Substances Control Act Section 8(b) Inventory  
**DSL/NDL** - Canadian Domestic Substances List/Non-Domestic Substances List  
**EINECS/ELINCS** - European Inventory of Existing Chemical Substances/European List of Notified Chemical Substances  
**ENCS** - Japan Existing and New Chemical Substances  
**KECL** - Korean Existing and Evaluated Chemical Substances  
**PICCS** - Philippines Inventory of Chemicals and Chemical Substances  
**AICS** - Australian Inventory of Chemical Substances

#### US Federal Regulations

##### SARA 313

Section 313 of Title III of the Superfund Amendments and Reauthorization Act of 1986 (SARA). This product contains a chemical or chemicals which are subject to the reporting requirements of the Act and Title 40 of the Code of Federal Regulations, Part 372

| Chemical name               | CAS No. | Weight-% | SARA 313 - Threshold Values % |
|-----------------------------|---------|----------|-------------------------------|
| Dibutyl phthalate - 84-74-2 | 84-74-2 | 30-40    | 1.0                           |

##### SARA 311/312 Hazard Categories

Should this product meet EPCRA 311/312 Tier reporting criteria at 40 CFR 370, refer to Section 2 of this SDS for appropriate classifications. Under the amended regulations at 40 CFR 370, EPCRA 311/312 Tier II reporting for the 2017 calendar year will need to be consistent with updated hazard classifications.

##### CWA (Clean Water Act)

This product contains the following substances which are regulated pollutants pursuant to the Clean Water Act (40 CFR 122.21 and 40 CFR 122.42)

| Chemical name                | CWA - Reportable Quantities | CWA - Toxic Pollutants | CWA - Priority Pollutants | CWA - Hazardous Substances |
|------------------------------|-----------------------------|------------------------|---------------------------|----------------------------|
| Dibutyl phthalate<br>84-74-2 | 10 lb                       | X                      | X                         | X                          |

##### CERCLA

This material, as supplied, contains one or more substances regulated as a hazardous substance under the Comprehensive Environmental Response Compensation and Liability Act (CERCLA) (40 CFR 302)

| Chemical name                | Hazardous Substances RQs | Extremely Hazardous Substances RQs | RQ                                       |
|------------------------------|--------------------------|------------------------------------|------------------------------------------|
| Dibutyl phthalate<br>84-74-2 | 10 lb                    |                                    | RQ 10 lb final RQ<br>RQ 4.54 kg final RQ |

### US State Regulations

#### California Proposition 65

This product contains the following Proposition 65 chemicals.

| Chemical name               | California Proposition 65                                 |
|-----------------------------|-----------------------------------------------------------|
| Dibutyl phthalate - 84-74-2 | Developmental<br>Female Reproductive<br>Male Reproductive |

#### U.S. State Right-to-Know Regulations

This product may contain substances regulated by state right-to-know regulations.

| Chemical name                | New Jersey | Massachusetts | Pennsylvania | Rhode Island | Illinois |
|------------------------------|------------|---------------|--------------|--------------|----------|
| Dibutyl phthalate<br>84-74-2 | X          | X             | X            | X            | X        |

## 16. OTHER INFORMATION
